

Dear Friends in League,
The League of Women Voters of Janesville has been busy this Spring to help voters inform themselves for the April 5 Wisconsin Spring Elections.

We conducted candidate forums for Janesville City Council and the Board of Education of the School District of Janesville

We published our Voters Guide on VOTE411.org. It included responses to the League's questions from candidates running for the Rock County Board of Supervisors, local school boards and town and city councils.

I want to extend a special THANK YOU to all the League members who worked on these projects

INFORMING VOTERS is central to the mission of the League of Women Voters.

Linda
