WISCONSIN'S INFRASTRUCTURE NEEDS YOU TO ADVOCATE FOR RAISING THE GRADE! The League of Women Voters of Wisconsin (LWVWI) is teaming up with the American Society of Civil Engineers-Wisconsin Section (ASCE-WI) to offer you a series of 9 webinars covering the 17 categories of infrastructure in the ASCE 2024 Infrastructure Report Card for Wisconsin. This webinar series kicks off on **October 17 12:00-1:30 pm** with Bridges and Roads. It includes presentations by Report Card authors and invited speakers with related perspectives. **Sign up to receive registration information for each webinar in the series and a link to the Report Card upon its publication:** my.lwv.org/wisconsin/2024-asce-wi-infrastructure-report-card-webinar-series.
